## **THE GIFT THAT IS SHAPING THE JEWISH FUTURE!**

Birthright Israel is committed to sending thousands of Jewish young adults on a life-changing journey in Israel each year. Participants return filled with passion and pride, many ready to lead a Jewish life and dedicated to securing a vibrant Jewish future.

But today, with rising costs and reduced funding, we cannot send the full potential of eligible applicants.

**We must not leave anyone behind!**

We simply cannot give this gift without your help. That is why your compassion and generosity are so important right now.
